## **FARBEN**

Lassen Sie sich von unserer bunten Farbauswahl inspirieren. Die im Flüssigzustand eingefärbten Fasern bleichen nicht aus und sind sehr farbbeständig. Bei grösseren Projekten kreieren wir gerne sogar Ihren persönlichen Farbton.

## **PERFORATIONEN**

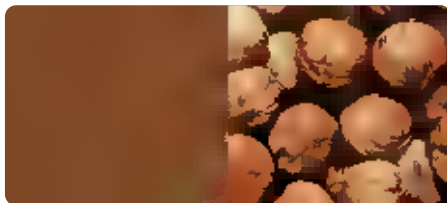

Sämtliche Produkte werden bei **ECHOJAZZ** auf Auftrag zugeschnitten. So individuell wie die Grössen und Formen sind auch die Möglichkeiten einer Perforation. Neben ihren eigenen Musterideen oder Firmensigneten bieten wir auch eine aktuelle Kollektion gestaltet von unseren Designern an.
